## SPONSORS

**Australian Government**  
**Department of Employment  
and Workplace Relations**

The **Department of Employment and Workplace Relations** enables access to quality skills, training and employment to support Australians find secure work in fair, productive and safe workplaces - supporting individuals, businesses and our nation to prosper.

The **Australian Bureau of Statistics'** (ABS) purpose is to inform Australia's important decisions by partnering and innovating to deliver relevant, trusted, objective data, statistics and insights. The ABS is Australia's national statistical agency, providing trusted official statistics on a wide range of economic, social, population and environmental matters of importance to Australia.

**Australian Government**  
**The Treasury**

**Treasury** is the Government's lead economic adviser. We provide advice to the Government and implement policies and programs to achieve strong and sustainable economic and fiscal outcomes for Australians. We anticipate and analyse policy issues with a whole-of-economy perspective, understand government and stakeholder circumstances, and respond rapidly to changing events and directions.

CENTRE FOR SOCIAL  
RESEARCH & METHODS

The **ANU Centre for Social Research and Methods** (CSR) research focuses on:

- The development of social research methods
- Analysis of social issues and policy
- Training in social science methods
- Providing access to social scientific data

The **Bankwest Curtin Economics Centre** is an independent economic and social research organisation located within the Faculty of Business and Law at Curtin University. The Centre's mission is to deliver high quality, accessible research that contributes to the wellbeing of families, businesses and communities in Western Australia, nationally and internationally. The Centre's research and engagement activities are designed to influence policy debates within government, industry and community sectors, and the wider Australian community.
